

**CARRIER
OF THE
MONTH**
OCTOBER
2007

★ CALEB SCHRIVER ★

Caleb has been a newspaper carrier for the Times & Transcript since August 2005. He likes the fact that being a carrier gets him up and out of the house early to enjoy the morning hours. WOW, a morning person! How often do you hear that from a teenager?

He is neither a spendthrift nor is he parsimonious with his earnings. He is a rare breed that can spend his money on the occasional indulgence (which probably includes a CD or two since his favorite pastime is listening to music), but also understands the necessity of saving for the future.

Caleb hopes to attend college or university once he's finished high school and, if his teachers are as impressed with his work ethic as his customers are, we predict a glorious future for Caleb. We also hope he will take advantage of the \$1,000.00 Times & Transcript Carrier Bursary Program* to further his education.

Congratulations Caleb. Keep up the good work!!

“Very reliable. Best paper deliverer we've ever had. No complaints whatsoever.”

“Always on time – the paper is always delivered by 7:00 am”

~ Edouard C

“Caleb couldn't be a better carrier. He's super. He leaves little notes for us and tells us to give him a call if we have any problems, which we don't. He hasn't missed a day”

~ Marg F.
